

VOICE AND INTERNET SOLUTIONS

TouchTone Communications, a leading full-service communications provider, delivers simple solutions for the home and business through affordable, reliable and innovative voice, data and Internet services.

The New Jersey-based Company has been serving customers across the country and internationally for nearly 15 years. Agents voted TouchTone a Top 5 Carrier/Reseller in the Telecom Association's 2006 and 2007 industry survey.

TouchTone relies completely on outside agents to generate sales and focuses on providing competitively priced, quality services with impeccable agent and customer support.
