Experience High Performance Driving in Your Sports Car at the Best Tracks in the Northeast!

Lime Rock - Connecticut
Watkins Glen International - New York
New Hampshire Motor Speedway - New Hampshire
Pocono - Pennsylvania
New Jersey Motorsports Park - New Jersey

The SCDA, LLC provides the driving enthusiast an opportunity to experience high performance driving in a controlled environment. SCDA welcomes everyone from novices with no track experience to the seasoned professional.

At each SCDA event drivers can expect almost two hours of on-track driving, one-on-one in-car instruction, and two classroom sessions. SA2005 or newer helmets are required for all participants.

A roll bar and/or factory hardtop is required for convertibles. Please visit www.scda1.com for further information, event photos and the application form.

SCDA Spec Miata Rental Program

The SCDA has professionally built Spec Miatas available for rent at our events. These cars are safe, fast and fun. The Spec Miata is a great tool to hone your high performance driving skills. Our rental program is 100% arrive and drive. All consumables, fluids, brake pads and tires as well as transport and trackside support are included in our Spec Miata Rental Program.
